Accommodation

We'll stay in a beautiful villa with a pool in Bloubergstrand – the prime location where all the magic happens, few minutes away from the beach and Cape Town's vibrant kite scene.

Red Bull King of the Air

And to top it all off – you'll be here during the Red Bull King of the Air waiting period (Nov 21–Dec 6), with VIP access to the competition and afterparties with the pros.

Itinerary

Cape Town is one of those rare places where every day is shaped by the wind. That's why every Club North experience is unique. Alongside world-class kiteboarding, we'll explore the very best of Cape Town - from breathtaking coastal drives and iconic landmarks to local food spots and unforgettable adventures. Every evening, we'll meet for a short briefing to review the latest forecast and plan the next day's activities, making sure we always chase the best conditions and get the most out of our time together.

This itinerary is just an example – exact days may vary based on wind conditions and the Red Bull King of the Air schedule, but it reflects the overall flow of the Club North Cape Town experience.
